

Innovation
that excites

2015 **XTERRA®**

WELCOME TO THE 2015 NISSAN XTERRA® DIGITAL BROCHURE

Full of images, feature stories, and all the specification and trim level information you need to help select your Xterra®.

[Click here](#) to sign up for news and updates on the 2015 Nissan Xterra®.

WHAT IF_ HAPPINESS WAS MEASURED IN VERTICAL FEET?

It's time to get up. With a potent 261 horsepower and serious off-road capabilities, Nissan Xterra® is well-equipped for the climb. Bring the essentials with a roof rack so radically versatile, it's often imitated but never equalled. Mud, muck and mire? You've got a ventilated gear box on the roof and an Easy Clean® cargo area in the back that wipes down easily.¹ And, no matter how far you go, NissanConnectSM with Mobile Apps puts entertainment and navigation right at hand.² 2015 Nissan Xterra.® Look up and never look back.

¹Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle. ²Driving is serious business. Only use NissanConnectSM services when safe to do so. Subscription Agreement required. Compatible smartphone required. Not all app features are available for all models. Some apps have late availability. May require dealer service visit or software upgrade to activate. Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. Cellular network not available in all areas. Cellular network, apps, and services, including Google® services, are provided by independent companies not within Nissan's control and may require subscription and owner consent to activate. Should provider terminate/restrict service, service may be terminated without notice or liability to Nissan and/or its agents. Nissan not responsible for any equipment or app replacement/upgrades, or associated costs, that may be required for continued operation. Terms and conditions of Subscription Agreement apply. 36-month trial period starts on vehicle sale date; subsequently a paid subscription is required at the then current rate (excludes Pandora®). Standard text rates and/or data usage may apply. See retailer and check www.NissanUSA.com/connect for details.

GEAR UP AND GO.

Nissan Xterra® PRO-4X® shown in Lava Red.

Nissan Xterra® PRO-4X® shown in Brilliant Silver.

4.0 LITER V6 **261** HP **281** LB-FT
OF TORQUE

BIG POWER FOR DEEP POWDER.

No matter how you slice it, Xterra® is built to deliver. A potent 4.0-liter DOHC 24-valve V6 helps give you the power to climb faster and farther, while advanced friction-reducing technologies help keep it all moving smoothly. Continuously Variable Valve Timing helps deliver heightened efficiency and on-demand power, which is important when you're towing up to 5,000 lbs.¹ Mix it all with some serious attitude and you've got one tough machine. And more fun than a gondola will ever be.

Nissan Xterra® PRO-4X® shown in Brilliant Silver.

¹See Nissan Towing Guide and Owner's Manual for proper use. Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle.

THE FEELING NO ONE'S BEEN HERE BEFORE.

Finding a little solitude is good for the soul. And Xterra® PRO-4X® equipped with 4-Wheel Drive is up for the challenge. Not only is it packed with advanced technologies ready to conquer the trail, it's also equipped with hard-core 4x4 components. From a fully boxed ladder frame to a locking rear differential, Xterra® PRO-4X® goes where few dare follow.

Locking Rear Differential.¹ When 4-Wheel Drive just isn't enough, activate the available electronic locking rear differential. This technology delivers equal power to both rear wheels to boost traction and help keep your PRO-4X® moving forward. Helping you reach your destination even in the toughest trail conditions.

Hill Start Assist.² Works on the uphill swing to help prevent rolling backward when you're starting from a stop on an incline. This system applies the brakes for a few moments, allowing you time to switch from the brake pedal to the accelerator.

Hill Descent Control.² What goes up must come down. PRO-4X®'s hill descent control automatically adjusts your speed and brake pressure to help keep you going at a controlled speed, freeing you up to concentrate on navigating difficult off-road situations.

Shift-on-the-Fly. Go where the wind – or whim – takes you, with a twist of a dial. Standard on PRO-4X® and available on other Xterra® models, the highly capable Xterra® 4WD system features shift-on-the-fly 4-Wheel Drive with a 2-speed transfer case, so you can go from 2WD to 4H at speeds up to 62 mph.

PRO-4X®

¹PRO-4X® models only. ²PRO-4X models with automatic transmission only. Cargo shown for display purposes only. Always secure all cargo. Cargo and load capacity limited by weight and distribution. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle.

NISSAN 6063-GRADE ALUMINUM ROOF RACK

INNOVATION THAT'S BEAUTIFUL – EVEN IN THE UGLIEST SITUATIONS

Wouldn't it be cool if a roof rack was as good-looking as it was versatile? From extreme whitewater rafting to helping your best buddy move, the iconic Xterra® roof rack helps you to take every last item in style. An integrated bumper step makes access quick and easy, while heavy-duty aluminum construction is designed to take a beating. And even though we like to see them loaded with gear, the racks look impressive even when they're empty. And that's a beautiful thing, too.¹

Aerodynamic crossbars.
Aerodynamic crossbars open up all kinds of possibilities.¹

Aluminum construction.
Starting with 6063-grade construction and up to 150-lb. capacity.

Roof rack-mounted off-road lights.
Casting a mighty beam every step of the way, available off-road lights mount right on the rack.

Bumper step. Built into the rear bumper, this grippy foothold helps give easy access to the roof.

Ventilated gear box. An available gear box is ventilated for wet, dirty stuff. It's also removable to make way for larger items.¹

¹Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure all cargo. Heavy loading of the SUV with cargo, especially on the roof, will affect the handling and stability of the vehicle.

Nissan Xterra® PRO-4X® shown in Gray/Steel Cloth.

MAN-HANDLE THE BIG STUFF.

The Utili-track® Cargo Channel System's cleats slide and lock into any position, giving you the means to accommodate just about any activity you can think of. Load it, lock it, start your adventure. Oversized hooks in the ceiling make securing your gear a cinch. Strap it down and get out there!¹

¹Cargo shown for display purposes only. Always secure all cargo. Cargo and load capacity limited by weight and distribution.

SQUIRREL AWAY THE SMALL STUFF.

A lesson from our bushy-tailed friends – every nook and cranny is a great place to store something. Xterra® makes great use of its interior, with a neat underfloor storage area that keeps valuables out of sight and grunge out of the way. Stretch mesh netting helps keep those little items from rolling around, but still easy to grab when you need them!

¹Cargo shown for display purposes only. Always secure all cargo. Cargo and load capacity limited by weight and distribution.

RearView Monitor. Whether it's a tight parking space or a trailer to attach, Xterra's RearView Monitor – included with the available Nissan Navigation System – is like having an extra pair of eyes where you need them most.^{1,2}

Designed exclusively for the Xterra's interior, the Rockford Fosgate® audio system features nine speakers and an enclosed subwoofer for massive sound.

Go far off the beaten path, but stay in touch just by pushing a button on the steering wheel. It's voice-activated and lets you program in up to 40 numbers with easy access.³

Nissan Xterra® PRO-4X® shown in Gray Leather with optional equipment.

¹ Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle.
² Never program while driving. GPS mapping may not be detailed in all areas or reflect current road status. ³ Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. The Bluetooth word mark and logos are owned by Bluetooth SIG, Inc., and any use and accessory equipment of such marks by Nissan is under license. Rockford Fosgate® is a registered trademark of Rockford Corporation.

NissanConnectSM YOUR WORLD, AT YOUR FINGERTIPS.

With the available NissanConnectSM with Mobile Apps, your Xterra[®] becomes your smartphone's best friend. Which means no more separation anxiety for you. Because now your own hand-picked music, Facebook[®], latest tweets, and more all come along for the ride, working seamlessly together through your smartphone and Xterra[®]'s available color touch-screen.

Your Nissan[®] Xterra[®] helps keep you in the loop with standard Bluetooth[®] hands-free calling and available technologies, including Nissan Navigation System (featuring voice recognition) and an iPod[®]/USB input.^{2,3,4} And with available hands-free text messaging assistant and streaming audio, you've never been better connected.^{2,5}

NISSAN SAFETY SHIELD® PHILOSOPHY

INNOVATION THAT LOOKS OUT FOR YOU.

What if you had the confidence you need for every part of your drive? The Nissan Safety Shield® is a comprehensive approach to safety that guides the engineering and development of every vehicle we make.

MONITOR

Smart technologies help monitor conditions. Like an available rearview camera that helps you see something directly behind you or a system that helps ensure you're travelling on properly inflated tires.

Tire Pressure Monitoring System¹
Available Automatic On/Off Headlights
Available RearView Monitor²

RESPOND

Whether you need to hit the brakes hard or maneuver around an unexpected obstacle, these standard technologies help you respond to a potentially harmful situation.

Vehicle Dynamic Control helps you maintain your steered path.³
Traction Control System helps reduce wheelspin in low-traction situations.
Anti-lock Braking System helps you maintain steering control around obstacles while braking heavily.
Electronic Brake force Distribution sends extra force to the rear brakes when you have additional weight of passengers or cargo in the back.
Brake Assist helps apply maximum braking force if it detects hard braking and senses you are in an emergency situation.⁴

PROTECT

When a collision is unavoidable, Nissan's Zone Body construction helps absorb the impact while the advanced seat belt and air bag systems help protect passengers.

Six Standard Air Bags⁵
LATCH System (Lower Anchors and Tethers for CHildren)

Six Standard Air Bags⁵ Nissan Advanced Air Bag System has dual-stage supplemental front air bags with seat belt and occupant-classification sensors.⁵ In addition, Xterra® features front seat-mounted side-impact supplemental air bags and roof-mounted curtain side-impact supplemental air bags with rollover sensor.⁵

Available RearView Monitor Whether you're hitching to a trailer or fitting in to a tight parking space, it's like an extra pair of eyes where you need them most.²

snug-kids. Nissan safety engineers have dedicated thousands of hours to evaluating hundreds of child restraints in Nissans. The result: An industry first, The Snug Kids® Child Safety Seat Fit Guide. This guide lists child seats that fit the rear seats of Nissan vehicles, as well as offers invaluable tips on correct installation. Look for the latest Fit Guide at **NissanUSA.com/SnugKids.**

Click here see a short video on how Snug Kids® helps you find the right CRS for your Nissan. Or go to **bit.ly/NissanSnugKids**

¹Tire Pressure Monitoring System is not a substitute for regular tire pressure checks. ²Parking aid/convenience feature. Cannot completely eliminate blind spots. May not detect every object and does not warn of moving objects. Always check surroundings and turn to look behind you before moving vehicle. ³VDC, which should remain on when driving except when freeing the vehicle from mud or snow, cannot prevent accidents due to abrupt steering, carelessness, or dangerous driving techniques. ⁴Brake Assist is only an aid to assist the driver and is not a collision warning or avoidance device. It is the driver's responsibility to stay alert, drive safely, and be in control of the vehicle at all times. ⁵Air bags are only a supplemental restraint system; always wear your seat belt. Even with the occupant-classification sensor, rear-facing child restraints should not be placed in the front-passenger's seat. Also, all children 12 and under should ride in the rear seat properly secured in child restraints, booster seats, or seat belts according to their size. Air bags will only inflate in certain accidents; see your Owner's Manual for more details. Inflated air bags shown for illustration purposes only, actual coverage area may differ. Air bags deflate after deployment.

GENUINE NISSAN ACCESSORIES.

Every Genuine Nissan Accessory is custom-fit, custom-designed and durability-tested. Each one is backed by Nissan's 3-year/36,000-mile (whichever occurs first) limited warranty (if installed by dealer at the time of purchase),¹ and can be financed when installed by dealer at time of purchase.

A. **Roof Rail Crossbars**²

You'll really get attached to them.

B. **Carpeted Cargo Mat**²

The plush way to protect.

C. **Tow Hitch Receiver, Class III**^{3,4}

If you're getting hitched, choose the right partner.

D. **All-season Floor Mats**

You've seen the bottom of your shoes.

E. **Sliding Cargo Organizer**²

Divide and conquer your stuff.

F. **Pet Guard Divider**

Helps your pet Stay!

G. **Retractable Cargo Cover**²

Protects from prying eyes and sticky fingers.

H. **Hatch Tent**

It's your Xterra*! It's your campsite! It's both!

Additional Accessories:

- Auto-dimming Rearview Mirror with Compass
- PRO-4X® Carpeted Floor Mats
- Gear Box
- Splash Guards

BUYING/OWNING

Nissan Motor Acceptance Corporation. Whether you're buying or leasing, you'll find attractive rates and flexible terms to make your purchase more accessible.

College Grad Program. Ask about our special new vehicle pricing available to individuals up to two years after graduation.

Active and Reserve US Military Program. Ask about eligibility for our fixed discount on new vehicle pricing available to those serving our country.

New Vehicle Limited Warranties. Protection for your new Nissan includes 3-year/36,000-mile (whichever occurs first) basic coverage and 5-year/60,000-mile (whichever occurs first) powertrain coverage. Terms, conditions and exclusions apply. See Warranty Information Booklet for complete details.

Security+Plus® For additional peace of mind, a variety of extended service plans lets you tailor the coverage to your driving habits.

Maintenance+Plus® This extended plan ensures your Nissan will receive up to 17 different services and over 33 different inspection items at each visit, using the most up-to-date diagnostic equipment available.

Genuine Nissan Parts. When it comes time for service, any necessary replacement parts will be made using Genuine Nissan new or remanufactured parts, or Nissan-approved parts. And they're the only parts to carry Nissan's factory-backed limited warranty.

Nissan Mobility Assist. This program offers reimbursements toward the purchase and installation of certain mobility assistance products for program-eligible Nissans. Go to **NissanUSA.com/mobility** for more info.

Nissan's environmental action plan focuses on several key areas. Increasing production of Zero Emission vehicles, including the 100% electric LEAF.® Improving fuel efficiency through our PUREDRIVE™ measures. And reducing the environmental impact of manufacturing, as seen at our new, energy-efficient, low-emissions paint plant in Tennessee. For more information, log on to **NissanUSA.com/green**
