THE NEW FIAT PUNTO EVO

MORE POWER. MORE FUN.

We know that a car is more than just a means of getting from point A to B. Because for some, their passion is fulfilled only behind the steering wheel. Such discerning drivers deserve a car that's geared to offer the best in performance and comfort, just like the new, more powerful Fiat Punto Evo. Featuring the powerful 93 ps Multijet Diesel Engine and a host of luxuries like rear AC vents, ample legroom and premium interiors, the new Fiat Punto EVO is a dream come true for those who want a car that's also the most fun to drive.

THE BEST OF BOTH WORLDS.

MULTIJET

The new Punto Evo's award winning' compact diesel engine powers millions of cars worldwide.

It offers improved performance, better fuel efficiency, a smoother drive, and has set the benchmark for diesel engines in India. It was also awarded 'International Engine of the Year' in 2005.

F.I.R.E.

The petrol version of the new Punto Evo features F.I.R.E., a revolutionary advancement in Fiat's engine technology. It delivers stellar performance with welcome fuel efficiency making it just perfect for your daily commute.

Multijet

F.I.R.E.

DESIGNED AROUND YOU

A 12.7 cms (5") Touch-Screen Satellite Navigation system is now standard through the entire range of Fiat cars, letting you explore and push your boundaries further than ever before. Also, the premium ergonomic interiors are designed to keep you comfortable even on the longest journeys.

THE COMFORT OF SECURITY

With the new Punto's core philosophy centering on drivability and comfort, extra care was taken to ensure that the new Punto meets stringent safety guidelines. After all, you can't truly savour a great drive if you aren't completely secure.

THE NEW FIAT PUNTO EVO FEATURES

REINDEER HEADLAMPS

Fresh from the future, the Punto Evo always has its eyes on what lies ahead. The thoughtfully styled Reindeer Headlamps increase the range of visibility helping you avoid the unforeseen.

TURN INDICATORS ON ORVMS

Give oncoming traffic a heads up or let followers know you are turning, with style. The Punto Evo features turn indicators on ORVMs that cater to safety and style in equal measure.

38.1 cm (15") ALLOY WHEELS

The 38.1 cm (15") alloy wheels on the Punto Evo make light work of heavy weather. Dynamic and durable, they let the car handle like a dream all year round, on every kind of road imaginable.

CHROME DETAILING

From the grille to the number plate, intricate chrome detailing lets the Punto Evo stand out in a crowd. Not only does this artistic finish accentuate its sturdy frame, it also gives the car a streamlined appearance.

BEST-IN-CLASS GROUND CLEARANCE

With a natural advantage over the ground below, the new Punto Evo is built to glide over speed breakers, potholes and bumps. Its generous elevation protects the undercarriage and makes your drive a breeze.

CLIMATE CONTROL AC

With climate control, your AC works intelligently to keep cabin temperature at a comfortable level, compared to the weather outside. Now no more fiddling with the AC controls every few kilometres.

REAR AC VENTS

The new Punto Evo makes sure you remain composed even when the outside temperatures are rising. Its adjustable rear AC vents make sure every seat is cooled the same, offering unparalleled comfort.

USB AND AUX INPUTS

The new Punto Evo ensures both your mood and the system volume, are always on a high. Placed within easy reach, the USB and Aux inputs are positioned next to the Navigation System for your comfort.

PREMIUM INTERIORS

The interiors of the new Punto Evo are designed to feel as premium as they look. Loaded with features, its state-of-the-art layout redefines the way hatchbacks are built, and renews your sense of pride every morning.

LOTS OF LEGROOM

Long journeys will no longer be dreaded. Built for passengers of all sizes, the new Punto Evo provides ample room so you can enjoy zero interruptions when stretching your limbs.

BOTTLE HOLDER ON DOOR TRIMS

A cosy little holder for your drink of choice allows you to sit back and not worry about holding it.
