2011 Elantra Touring

SPIRIT AND PRACTICALITY, IN PERFECT BALANCE.

WHAT SMART MEANS TO US.

At Hyundai, we are constantly striving to make smart decisions when it comes to our vehicles so you can make smart decisions when it comes to your purchase. A smart decision means weighing the pros and cons, evaluating the costs against the benefits, and making a choice for the right reasons for you. It means having no regrets.

Our investment in eco-friendly technologies, quality craftsmanship, extensive research and design, together with our state-of-the-art facilities and dedicated human resources, ensures our vehicles are built with integrity from the first to the final detail. And, together, they deliver on Hyundai's promise to Canadians – to create a lineup of smart vehicles.

The 2011 Elantra Touring is destined to become your favourite way to get around. Impressive interior space, an exceptional level of fit and finish, and European styling combine to deliver practicality in a perfect package. Rare is the vehicle that uses space efficiently while ensuring a sporty drive. It takes a lot of thought. We've done the thinking. The result: the fun and versatile 2011 Elantra Touring.

**CENTURY
AUTO.CA**

 **HYUNDAI™**

5-Door Design. The Elantra Touring's hatch design lets you load passengers and cargo with ease. With five access points, you can make the most of the 3,555 litres of interior space.

Halogen Headlights. The Elantra Touring is equipped with sleek wrap-around projection-type halogen headlights – standard – adding to its clean design while providing superior visibility for night driving and in extreme weather conditions. Plus, with fog lights, see better in poor-visibility conditions, like rain, snow and fog (Standard on GLS models).

Sporty European Styling. The Elantra Touring, Hyundai's European-designed vehicle, possesses the stylish confidence to match its origins. With a striking chrome front grille and chrome-accented body colour front and rear bumpers, tinted windows and roof-mounted micro antenna, the Elantra Touring is the ideal combination of style and function. Its body colour door handles, rear garnish and available body colour exterior mirrors further add to its sleek styling and fluidity. And to satisfy your sportier side, the Elantra Touring GLS with Sport Package is equipped with 17-inch 5-spoke alloys and a rear spoiler.

CENTURY
AUTO.CA

interior

The Safety of Bluetooth® Handsfree.

The 2011 Elantra Touring helps you make safer driving a priority with a Bluetooth® Handsfree Phone System* (GLS models).

Tunes At Your 'Tips. The Elantra Touring is equipped with an AM/FM/CD/MP3/Aux. Plug/USB Port audio system with six speakers (four on L and GL) to surround driver and passengers in listening pleasure. The GLS with Sport Package adds XM satellite radio and audio controls – with iPod control – to your steering wheel for further convenience and safety.

No need to pack light. It may not be obvious from the outside, but with 3,555 litres, the Elantra Touring's interior volume is one of the largest in its class. From available heated front seats and leather-wrapped steering wheel (GLS with Sport Package) to optional remote keyless entry and alarm, and rear-seat heater ducts, the Elantra Touring is equipped with the comforts and conveniences that make driving a pleasure. Its sporty interior is generously equipped with functional features, including a driver's seat with optional height adjuster, and blue-lit ergonomically designed gauges to optimize comfort and visibility.

**CENTURY
AUTO.CA**

5-Speed Manual. Remaining true to its European roots, the Elantra Touring is equipped with a sporty 5-speed manual transmission. A 4-speed automatic is optional for those who'd prefer to simply press the gas and go.

Smart Power. The Elantra Touring features such fuel-saving technologies as motor-driven power steering, matched to its 2.0L, 16-valve DOHC engine. Its low-set engine idle reduces emissions and helps increase fuel economy.

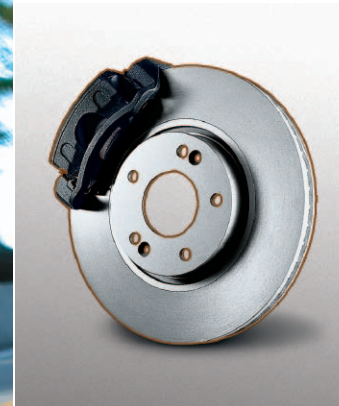

Fun and fuel-efficient. Its looks may be what draw you in, but its performance will make you commit. Spirited and fuel-efficient, the Elantra Touring's 2.0L, 138 hp, 16-valve DOHC, 4-cylinder Continuously Variable Valve Timing (CVT) engine employs some of the most advanced technologies and provides maximum fuel efficiency while meeting the demands of both city and highway driving. Built for fun-filled adventure, the Elantra Touring is even more fuel-efficient on the highway with steering wheel-mounted cruise control (not available on L). A MacPherson strut front suspension and multi-link rear suspension ensure responsive performance.

May not be exactly as shown

Airbags.¹ Standard dual front airbags, available driver and front passenger side-impact airbags, along with side-curtain airbags for front and rear outboard passengers (not available on L), offer peace of mind on any road.

Anti-Lock Braking System.

ABS helps prevent wheel lock-up and helps maintain steering control during emergency braking situations by rapidly pulsing the brakes, allowing you to manoeuvre around objects ahead (ABS not available on L).

Travel in safety. Travel in Style. Combining steel side-impact door beams with front and rear crumple zones, your best interests are put first with Hyundai's intelligent safety body construction. In addition to an available Anti-lock Braking System (ABS) with Electronic Brake Force Distribution (EBD) and available Electronic Stability Control (ESC)², Elantra Touring offers an available 6 airbags¹. Parents will appreciate the Lower Anchor Tethers for Children (LATCH) System, and the Child Restraint System (CRS) (upper tether anchors) with rear child safety locks. Front active head restraints (not available on L) and an energy-absorbing steering column work with front-seat pretensioners and force limiters for increased levels of safety.

SMART, AND WHAT IT MEANS TO US.

Every automaker – like every person – has a philosophy that guides their thinking and decisions. Ours is straightforward and pragmatic: to be smart. At Hyundai, we try to make smart moves, every day, so we're not only your next vehicle choice, but also your choice again and again down the road.

Smart is building vehicles that offer exceptional value – not just a great price. We build vehicles that people are happy to drive, with the comfort and safety features they want, and meaningful warranties to back them up.

Smart is the drive to zero defects. In 1999, we embarked on our quality mission when we launched the Zero Defects program.

This initiative involves everyone and every aspect of the company's culture in a sincere commitment to quality manufacturing across the board. While we continue to be honoured with awards for excellence, our priority remains our unwavering commitment to our drivers.

Smart is offering sensible prices on vehicles that people are happy to drive. And we want you to be as happy with your vehicle in five or ten years as you are on day one. This means building a quality product, and equipping it with the kinds of features that make driving a joy.

It also means offering a warranty that's meaningful, like a 5-year/100,000 km Comprehensive Limited Warranty[†], 5-year/100,000 km Powertrain Warranty and 3-year/Unlimited km Roadside Assistance Program^{††}.

Ultimately, smart is taking a leadership role, with the courage to break new ground and chart the course that an entire industry will take. It requires the confidence to guide others, and the conviction to follow through on commitments. Hyundai's commitment to these principles has propelled us to being the world's 4th largest auto manufacturer, servicing 160 countries and selling 30 million vehicles.

As part of our leadership role, we've launched Blue Drive, a collection of environmental initiatives that will help the fight to reduce greenhouse gas emissions. It's one of many steps toward our goal to achieve the most fuel-efficient lineup on the planet by 2015, and just another way we're working to be your first choice in vehicles today, and again down the road.

We believe that if we continue to follow the principles behind what is smart, we'll continue to show Canadians that Hyundai is the right choice today and their best choice for the future.

2011 Elantra Touring

Hyundai is making its name on delivering unprecedented quality and value, offering Canadians a wide variety of lifestyle-friendly vehicles loaded with outstanding packages of standard features and premium extras. Individual needs call for individual solutions. That's why Hyundai goes out of its way to offer you a line of accessories designed to suit specific demands. With Hyundai's line of authorized parts and accessories, you are able to customize and adapt your vehicle to your lifestyle. From versatile quick-locking roof racks to a stylish rear spoiler, custom-fit your Elantra Touring your way.

Rubber Floor Mats. Protect the interior of your Hyundai from everyday dirt and debris with custom-made floor mats.

B&M Short Shifter Kit. Developed in conjunction with B&M, this short shifter kit was designed specifically for your Hyundai. This performance accessory will dramatically improve the shifter performance on your vehicle.

Cargo Cover. Keep your valuables safe and out of sight with an easily removable cargo cover.

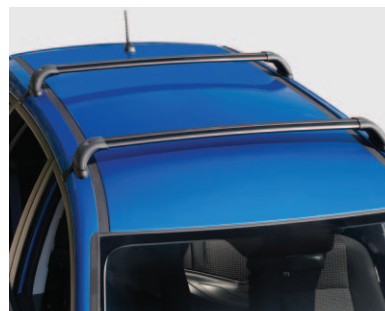

Exhaust Tip. A European-inspired polished stainless steel exhaust tip will give your vehicle an exciting sporty look.

Plastic Hood Protector. Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

Rear Spoiler. Add a touch of style and sportiness to your vehicle with an aerodynamic rear spoiler. It also incorporates a brake light for added visibility and safety.

Roof Racks. This durable, quick-locking roof rack system lets you transport cargo easily, without sacrificing interior room.

Trailer Hitch Kit. Designed to meet all your towing needs, a Hyundai hitch can accommodate a wide variety of hitch-mounted accessories. Kit includes the trailer hitch, ball mount and end cap.

Specifications, features, illustrations, accessories, materials and equipment and all other information shown in this brochure are based on the latest information available at the time of publication. Although descriptions are believed to be correct, accuracy cannot be guaranteed. Hyundai Auto Canada Corp. reserves the right to make any changes or modifications at any time, without notice or obligation, including, without limitation, in colour, specifications, features, accessories, materials, equipment and models. Some vehicles are shown with optional equipment. All Hyundai warranties have no deductible.

^ Fuel economy figures are based on manufacturer's testing and are used for comparison purposes only. Actual fuel efficiency may vary based on driving conditions and the addition of certain vehicle accessories.

† Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.

†† Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away. 24 hours a day.

¹ The Supplemental Restraint (Airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts, which must still be worn at all times. Children under the age of 13 should be securely restrained in the rear seat. NEVER place a child-seat in the front seat of a Hyundai vehicle.

² Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not a substitute for safe driving practices.

** CAN/ULC S338-98 compliant immobilizer may reduce insurance costs in some instances.

SMART IS IN.

At Hyundai Auto Canada, we believe our customers' needs come first. That's why we've invested billions of dollars worldwide in research, design, safety, testing and manufacturing. And with numerous third-party awards for quality, reliability and value, we can't help but be proud. But in the end, it's still about you, our customer. Simply put, we're committed to over-delivering on all your expectations so we can bring you the vehicle you need, as well as the vehicle you want.
