SE

Key features that come as standard

SE offers a high level of specification as standard. Highlights include Audi Smartphone Interface, a 7” colour MMI screen and Audi Pre-sense Front with Pedestrian recognition. It also has a distinctive exterior design with contrast bumpers and C-pillar blades in Manhattan grey.

Wheels

- ▶ 16” x 6.5J ‘5-spoke’ design alloy wheels with 215/60 R16 tyres
- ▶ Tyre repair kit
- ▶ Tool kit and car jack

Performance and suspension

- ▶ Automatic Start-Stop system with recuperation
- ▶ Progressive steering – enhances driving dynamics and ride comfort by regulating the steering according to the driving situation. With this technology, driving is significantly more agile under everyday conditions, while directional stability and precision are increased at high speeds and in demanding driving situations
- ▶ Dynamic suspension

Lighting

- ▶ Halogen headlights – including headlight range adjustment

Exterior equipment

- ▶ Contrast bumpers in Manhattan grey, paint finish. The following parts are in Manhattan grey:
 - ▶ Lower section of front and rear bumpers
 - ▶ Wheel arch trims
 - ▶ Side skirts
- ▶ C-pillar blades in Manhattan grey, metallic
- ▶ Radiator grille in high-gloss titanium black
- ▶ Air inlet in Manhattan grey, metallic
- ▶ The front underbody guard and rear diffuser trim are in Selenite silver finish
- ▶ Door mirrors – electrically adjustable and heated, with integrated LED side indicators
- ▶ Body-coloured door mirrors
- ▶ Black window trims
- ▶ Chrome-plated exhaust tailpipe trim

Seats

- ▶ Standard seats in Aspect cloth
- ▶ Manual seat adjustment for front seats

Inlays

- ▶ Inlays in White, anodised paint finish. Alternatively an Orange, anodised paint finish is also available at no additional cost

Interior equipment

- ▶ Manual air conditioning
- ▶ 3-spoke leather multi-function steering wheel (with paddles for automatic transmissions) – height and reach adjustable
- ▶ Front centre armrest
- ▶ Storage compartments include the following items:
 - ▶ Glove compartment
 - ▶ Cupholder and storage compartment in centre console
 - ▶ Front and rear door pockets
 - ▶ Storage compartment in rear centre console
- ▶ Split-folding rear seat bench – can be split and folded 40:60 or fully
- ▶ Interior lighting – includes lighting for the front roof module including reading lights and light for the rear and luggage compartment
- ▶ Non-smoking Pack
- ▶ Front and rear floor mats
- ▶ Door sill trims with aluminium inlay

SE continued

Key features that come as standard

Audio and communication

- ▶ MMI Radio Plus with 7" colour MMI screen and MMI controller
- ▶ Audi Smartphone Interface* – connects your compatible smartphone with your Q2, bringing your mobile content via USB directly into the MMI display. Navigation, telephone, music and selected third-party apps can be easily controlled via the MMI controller and via the voice control system
- ▶ Navigation preparation ('Ready 4 Nav') – enables MMI Radio Plus to be upgraded to MMI Navigation as a retro-fit at your local Audi Centre
- ▶ Driver's Information System (DIS) – 3.5" monochrome display in the instrument cluster giving you driving statistics and access to functions like telephone menu, distance travelled and fuel level warning with remaining range
- ▶ Voice control system
- ▶ Bluetooth interface[†]
- ▶ DAB digital radio
- ▶ Audi Music Interface. For connection of Apple iPod, Apple iPhone music functionality and USB storage media and compatible MP3 players
- ▶ 2x USB charging points and 1x AUX-IN
- ▶ 2x SDXC card readers
- ▶ CD drive
- ▶ 4 passive loud speakers
- ▶ Email, calendar and text messages from your smartphone can be displayed on your vehicle's MMI. A myAudi account and Audi MMI Connect app are required. Please check www.audi.co.uk/phonecompatibility for more information
- ▶ Online media streaming (Audi MMI Connect app required)

Driver assistance

- ▶ Pre-sense Front with pedestrian recognition – the system uses radar sensors to detect vehicles and pedestrians in front. If an imminent collision is detected, the system warns the driver. The system may initiate emergency braking application (within system limits) and can also increase braking initiated by the driver (if this is inadequate) in order to reduce the severity of the collision, or if possible, prevent an accident. Works up to speeds of 40mph for pedestrians and up to 127mph[^] for vehicles
- ▶ Electromechanical parking brake
- ▶ Rear parking sensors
- ▶ Cruise control

Safety and security

- ▶ 6-airbag system
- ▶ Electronic Stabilisation Control (ESC), including ABS, ASR and EDL
- ▶ Multi-collision brake assist
- ▶ Tyre pressure warning light – visual and acoustic warning if the pressure drops in one or more tyres
- ▶ First-aid kit with warning triangle
- ▶ Seat belt monitoring
- ▶ ISOFIX child seat mounting for front passenger (with airbag deactivation) and outer rear seats. Including Top Tether attachment point for the outer rear seats. Also includes electrically operated child lock
- ▶ Anti-theft alarm
- ▶ Anti-theft wheel bolts

*Audi Smartphone Interface uses Apple CarPlay, which is available with iPhone 5 and above, or Android Auto, which is available with phones using Android 5.0 Lollipop or above and requires the download of the Android Auto app. Availability of applications differs by operating system and is dependent on approval by Apple or Google. An up-to-date list of approved apps is available on the relevant systems' websites. Permanent availability cannot be guaranteed as this is the responsibility of Apple and Google. Use of certain apps with Smartphone Interface will be subject to signal availability of the mobile network in your location and in-car usage may increase your mobile data usage. If using regularly, a mobile phone contract including an unlimited or high amount of data is recommended.

[†]For mobile phone and software version compatibility, please visit your Audi Centre or www.audi.co.uk/phonecompatibility

[^]Where the law permits.

Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle. System descriptions within this pricelist are provided for information purposes only. System limitations and operational requirements apply. See manual for details.

Sport

Specification in addition or replacement to SE

The Sport trim builds on the high level of SE specification with C-pillar blades in Ice silver and bumpers available in full body colour for an enhanced, sporty look. Inside, you benefit from MMI Navigation (SD card-based) and a 3-month subscription to Audi Connect Infotainment Services. Front Sport seats and Audi Drive Select are among the other highlights.

Wheels

- ▶ 17" x 7.0J '5-arm star' design alloy wheels with 215/55 R17 tyres

Performance and suspension

- ▶ Audi Drive Select – enables the driver to alter the power steering assistance, engine and gear-shift characteristics (S tronic only) between four pre-set modes: 'Comfort', 'Auto', 'Dynamic', 'Efficiency' and an 'Individual' mode. The 'Efficiency' mode sets the engine, automatic transmission, air conditioning and cruise control systems to a more fuel-efficient basic setting. Efficiency mode not available on 1.0 TFSI or 1.6 TDI engines

Exterior equipment

- ▶ C-pillar blades in Ice silver, metallic
- ▶ Contrast bumpers in Manhattan grey, paint finish. The following parts are in Manhattan grey:
 - ▶ Lower section of front and rear bumpers
 - ▶ Wheel arch trims
 - ▶ Side skirts
- ▶ Bumpers in full body colour paint finish are available at no additional cost[†]
- ▶ Radiator grille in High-gloss titanium black[†]
- ▶ Air inlet in Manhattan grey, metallic[†]
- ▶ The front underbody guard and rear diffuser trim are in Selenite silver finish
- ▶ Windscreen with grey-tinted sunband

Seats

- ▶ Front Sport seats in Index cloth

Inlays

- ▶ Inlays in Red, anodised paint finish. Alternatively Yellow, anodised paint finish is also available at no additional cost

Interior equipment

- ▶ Aluminium interior elements – interior details with Aluminium finish in the following areas: air vents, electric window switches, door-mirror adjustment switches, door pull handle trim and surrounding frame, coin holder, 12V socket surround and control buttons for the parking brake

Audio and communication

- ▶ MMI Navigation (SD card-based) includes the following:
 - ▶ Integrated navigation with 3D map display
 - ▶ Detailed route information: map preview, choice of alternative routes, POIs, lane recommendations, motorway exits, detailed junction maps and more
 - ▶ Dynamic route guidance with TMCpro (in conjunction with Audi Connect Infotainment Services: traffic information online)
 - ▶ MMI search: free text search with intelligent suggestions provided during entry
 - ▶ Natural voice recognition
 - ▶ Country-specific information – find out the legal regulations for the country you're travelling to, such as speed limits, whether it is compulsory to carry a high-visibility vest or whether you need to display a motorway toll sticker
- ▶ Audi Connect Infotainment Services (3-month trial)
- ▶ 8 passive loudspeakers

Safety and security

- ▶ Light and rain sensors

[†]If bumpers are ordered in full body paint finish, the radiator grille design and air inlet colour also change. For further details please see page 20.

S line

Specification in addition or replacement to Sport

The S line specification includes an upgrade to larger 18” alloy wheels, and visual enhancements courtesy of bespoke S line exterior styling, bumpers in full body colour and distinctive C-pillar blades in Titanium grey, matt. These aren’t the only features that stand out on the road. LED headlights, incorporating LED daytime-running lights and LED rear lights with dynamic rear indicators make a striking impression. Front Sport seats upholstered in a combination of cloth and leather help to set the tone inside, and the optional no-cost upgrade to Sport suspension does the same for the driving experience.

Wheels

- ▶ 18” x 7.0J ‘5-spoke Y’ design alloy wheels with 215/50 R18 tyres

Performance and suspension

- ▶ Dynamic suspension. Sport suspension available at no additional cost – see page 18 for details

Lighting

- ▶ LED headlights with LED rear lights and dynamic rear indicators
- ▶ Headlight washers

Exterior equipment

- ▶ S line design body styling:
 - ▶ S line front and rear bumpers and side skirts
 - ▶ S line radiator grille in Platinum grey, matt
 - ▶ Rear diffuser insert in Platinum grey
 - ▶ S line front air intakes
- ▶ S line badges on the front wings
- ▶ Bumpers in full body colour paint finish
- ▶ C-pillar blades in Titanium grey, matt

Seats

- ▶ Front Sport seats with ‘S’ embossed logo
- ▶ S line Pulse cloth/leather upholstery

Inlays

- ▶ Inlays in Matt brushed aluminium

Interior equipment

- ▶ 3-spoke leather multi-function steering wheel (with paddles for automatic transmissions) – features ‘S’ badging and grips in perforated leather with contrast stitching
- ▶ LED Interior Lighting Pack – LED lighting in the following areas:
 - ▶ Front roof module including reading lights
 - ▶ Rear light
 - ▶ Illuminated vanity mirror
 - ▶ Luggage compartment light
 - ▶ Front footwell lights
- ▶ Headlining in black cloth
- ▶ Illuminated door sill trims with ‘S’ logo
- ▶ Pedals in stainless steel
- ▶ Floor mats with contrast stitching

Edition #1

Specification in addition or replacement to SE

With 19" Rotor alloy wheels in gloss anthracite black, S line exterior package with a contrast paint finish, and Quantum grey, solid paint you won't find anywhere else in the Q2 range, the Edition #1 model is a car like no other. Stylish Sport seats in Fine Nappa leather and illuminated inlays ensure a unique and luxurious interior.

Wheels

- ▶ 19" x 8.0J '5-arm Rotor' design Audi Sport alloy wheels in gloss anthracite black, diamond cut finish with 235/40 R19 tyres

Performance and suspension

- ▶ Audi Drive Select – enables the driver to alter the power steering assistance, engine and gear-shift characteristics (S tronic only) between four pre-set modes: 'Comfort', 'Auto', 'Dynamic', 'Efficiency' and an 'Individual' mode
- ▶ Sport suspension available at no additional cost – see page 18 for more details

Lighting

- ▶ LED headlights with LED rear lights and dynamic rear indicators
- ▶ Headlight washers

Exterior equipment

- ▶ Exterior paint in Quantum grey, solid
- ▶ S line design body styling:
 - ▶ S line front and rear bumpers and side skirts
 - ▶ S line front air intakes
- ▶ S line badges on the front wings
- ▶ Contrast bumpers in Manhattan grey, paint finish. The following parts are in Manhattan grey:
 - ▶ Lower section of front and rear bumpers
 - ▶ Wheel arch trims
 - ▶ Side skirts
- ▶ C-pillar blades in Brilliant black, solid with Audi rings logo foil
- ▶ Black Styling Pack – front grille, rear diffuser insert and air inlets in Dark chrome matt, exterior mirror caps in Brilliant black and single-frame radiator grille surround in Dark chrome gloss
- ▶ Front windscreen with grey-tinted sunband

Seats

- ▶ Front Sport seats
- ▶ Design selection Fine Nappa leather upholstery in Granite grey with Amaretto brown leatherette contrast stripes and stitching

Inlays

- ▶ Illuminated inlays, 'Format' design

Interior equipment

LED Interior Lighting Pack Advanced – includes the following:

- ▶ Illuminated inlays in 'Format' design. Illumination applied to the inlay in the dashboard (front passenger side) and part of the centre console, there is a choice of 10 colours which is controlled via MMI
- ▶ Also includes LED lighting in the following areas:
 - ▶ Front roof module including reading lights
 - ▶ Rear light
 - ▶ Illuminated vanity mirror
 - ▶ Luggage compartment light
 - ▶ Front footwell lights
 - ▶ Ambient spot lighting in the front doors
- ▶ Extended Interior Upholstery Pack – front knee pad finished in leatherette with Amaretto brown contrast stitching. Door armrests in black leatherette with Amaretto brown contrast stitching
- ▶ Illuminated door sill trims with 'S' logo
- ▶ Aluminium interior elements – interior details with Aluminium finish in the following areas: air vents, electric window switches, door-mirror adjustment switches, door pull handle trim and surrounding frame, coin holder, 12V socket surround and control buttons for the parking brake
- ▶ Design selection floor mats with Amaretto brown contrast stitching

Audio and communication

- ▶ MMI Navigation (SD card-based) includes the following:
 - ▶ Integrated navigation with 3D map display
 - ▶ Detailed route information: map preview, choice of alternative routes, POIs, lane recommendations, motorway exits, detailed junction maps and more
 - ▶ Dynamic route guidance with TMC (in conjunction with Audi Connect Infotainment Services: traffic information online)
 - ▶ MMI search: free text search with intelligent suggestions provided during entry
 - ▶ Natural voice recognition
 - ▶ Country-specific information – find out the legal regulations for the country you're travelling to, such as speed limits, whether it is compulsory to carry a high-visibility vest or whether you need to display a motorway toll sticker
- ▶ Audi Connect Infotainment Services (3-month trial)
- ▶ 8 passive loudspeakers

Safety and security

- ▶ Light and rain sensors

Lighting

		SE	Sport	S line	Edition #1	Total RRP inc VAT*
PX2	LED headlights with LED rear lights and dynamic rear indicators All-weather headlights with dynamic headlight adjustment and dipped beam, high beam, indicators and turning light with LED technology. Enables near-daylight illumination of the road, minimum energy consumption and long service life. Includes separate LED daytime-running lights and dynamic rear indicators which sweep from inside to out. This helps to clearly identify not only that the vehicle is turning, but in which direction. Also includes headlight washers. On SE, only available in combination with Auto-dimming rear-view mirror with light and rain sensor (PU7)	•	•	S	S	£975
8G1	High-beam assist Within system limits, high-beam assist detects the headlights of oncoming traffic, the rear lights of other road users and light sources in built-up areas. Depending on the traffic situation, the high beam automatically adjusts to dipped beam and vice versa. The system improves the driver's visibility and brings added comfort and convenience. Only available in combination with Auto-dimming rear-view mirror with light and rain sensor (PU7)	•	•	•	•	£125

Options are subject to availability and may extend time taken for delivery.

Technology Packs

Technology Pack

This pack brings together the most popular technology options that are frequently ordered together for those wanting the highest level of connectivity and navigation.

Audi Virtual Cockpit

- ▶ Innovative 12.3" full colour digital instrument cluster for the flexible display of information tailored to the driver's needs.
 - Displays the following:
 - ▶ Vehicle/engine speed
 - ▶ 3D navigation map
 - ▶ Radio/media information
 - ▶ Driver assistance systems
 - ▶ All MMI functionalities (e.g. telephone, car settings etc.)
- The 'view' button on the multi-function steering wheel allows you to change between two differently sized representations of the instrument dials. The display with small instruments allows the onboard computer and MMI contents to be shown across the full display area

MMI Navigation Plus with MMI Touch

- In addition to standard MMI Radio Plus, includes the following:
- ▶ 8.3" high-resolution colour MMI display
 - ▶ Touch-sensitive control panel for fast, intuitive operation, handwriting recognition, and ability to move and zoom freely on the map
 - ▶ Integrated navigation with 3D map display of places of interest
 - ▶ Online map updates (includes five free updates) and myAudi special destinations which allows you to download special destinations such as your favourite restaurants into your navigation system via your myAudi account*
 - ▶ Detailed route information: map preview, choice of alternative routes, POIs, lane recommendations, motorway exits, detailed junction maps and more
 - ▶ Traffic information online (in conjunction with Audi Connect Infotainment Services)
 - ▶ MMI search: free text search with intelligent suggestions provided during entry
 - ▶ Natural voice recognition

- ▶ Jukebox hard drive memory for music (10GB)
- ▶ DVD drive for music CDs and video DVDs

Audi Connect Infotainment Services (36-month subscription)

Audi Connect Infotainment Services is the link between your Audi and the internet, giving you access to entertainment, information and search functions operated via the MMI control panel, the multi-functional steering wheel or the voice control system.

With high-speed internet access in your car via an embedded SIM within your vehicle, you can call up information such as flight times, fuel prices, weather and other online services provided by third parties (e.g. Twitter), as well as Points of Interest and high-resolution aerial and satellite pictures from Google Earth™.

For more details, please see the full model guide at www.audi.co.uk/brochures or ask for a copy from your local Audi Centre*

Audi Phone Box with wireless charging

Enables drivers to use their mobile phone in the car by placing it in the storage compartment provided in the front centre console to create a wireless connection to the vehicle aerial, improving reception quality (subject to network coverage). Operated via the MMI control panel or the multi-function steering wheel. Wireless charging available (with Qi-enabled compatible phones) or via USB port.

Audi Phone Box option also provides an additional Bluetooth interface for a second device, meaning two mobile phones can be connected to the vehicle simultaneously. For mobile phone Bluetooth and software version compatibility, please visit your Audi Centre or www.audi.co.uk/phonecompatibility

		SE	Sport	S line	Edition #1	Total RRP inc VAT ⁺
WB4	Technology Pack On a Sport and Edition #1 with an S tronic transmission and on S line, only in combination with Flat-bottomed 3-spoke multi-function Sport steering wheel (2PK/2PF)	–	•	•	•	£1,395

Options are subject to availability and may extend time taken for delivery.

Technology Packs

Comfort and Sound Pack

A pack that adds value by combining some of our most popular options – designed to improve comfort and enhance your sound experience.

Hill-hold assist

Keeps the car stationary once it comes to a stop on uphill and downhill gradients. Remains activated for an unlimited length of time and allows the driver to pull away smoothly

Bang & Olufsen Sound System

Surround sound reproduction via 14 high-performance speakers including centre speaker and subwoofer. 15-channel amplifier with a total output of 705 watts. Exclusive speaker covers with aluminium applications and LED lighting accentuating the front woofers. The sound is permanently adapted to compensate for driving and background noises determined by a microphone. 5.1 surround sound reproduction is possible when ordered in conjunction with Technology Pack (WB4)

Audi Parking System Plus

Acoustic and visual park assist system for the front and rear with MMI screen display showing a graphical representation of the distance to any obstacles detected outside and within the driving path. Measurement is by ultrasonic sensors concealed in the bumpers

Heated front seats

Heating for seat and backrest centre panels. When in combination with Sport seats and leather upholstery, the side bolsters are also heated. Individually adjustable in several stages for driver and front passenger side via the air conditioning controls

Technology Driver assistance

Driver Assistance Pack (S tronic transmissions)

With busier roads than ever, Audi technology can keep an extra eye out. This pack brings together the driver assistance systems that support long-distance driving, especially when driving in congestion and varying average speed limit zones, as well as advanced safety systems.

Adaptive Cruise Control with Stop&Go

Automatic distance regulation, using radar sensors to maintain the required distance between vehicles ahead by braking and accelerating. Also includes Stop&Go function which brakes the car to a stop and can restart automatically again (subject to certain system limits). Approximate control range of 0-124mph*

Traffic-jam assist

Detects vehicles ahead and on adjacent lanes to assist with the braking, acceleration and also steering up to 40mph, to keep the vehicle in lane

Audi Active Lane Assist

Detects lane boundary markings and helps the driver to stay in lane with gentle steering intervention for greater safety and convenience, particularly on motorways. Works at speeds above approximately 40mph. Only works when the indicator is not in use

High-beam assist

Within system limits, high-beam assist detects the headlights of oncoming traffic, the rear lights of other road users and light sources in built-up areas. Depending on the traffic situation, the high beam automatically adjusts to dipped beam and vice versa. The system improves the driver's visibility and brings added comfort and convenience

Camera-based traffic sign recognition (if MMI Navigation Plus is fitted)

Speed limit and traffic sign display via the Driver's Information System (DIS). Detects speed limits (including temporary limits) and overtaking restrictions. Only available when Technology Pack (WB4) is ordered

Audi Parking System Plus

Acoustic and visual park assist system for the front and rear with MMI screen display showing a graphic representation of the distance to any obstacles detected outside and within the driving path. Measurement is by ultrasonic sensors concealed in the bumpers

Emergency assist

If Audi Active Lane Assist and Adaptive Cruise Control are active and the system detects no driver activity after the extended 'hands-off' warning, Emergency Assist is enabled. This guides and supports the driver with warnings. If no response is detected after these warnings, the vehicle is held in lane and the brakes are applied to bring it to a gradual standstill

		SE	Sport	S line	Edition #1	Total RRP inc VAT ⁺
PCE 79C	Driver Assistance Pack With Traffic-jam assist and Emergency assist. Only available on S tronic transmissions and in combination with Colour Driver's Information System (9S6) or Technology Pack (WB4)	–	•	•	•	£725
	In combination with Comfort and Sound Pack (WF5)	–	•	•	•	£425

Options are subject to availability and may extend time taken for delivery.
Vehicle driver assistance and safety systems are not a substitute for attentive driving. Drivers retain full responsibility for providing the necessary inputs for safe control of the vehicle.
System descriptions within this brochure are provided for information purposes only. System limitations and operational requirements apply. See manual for details.

Technology Driver assistance

Driver Assistance Pack (Manual transmissions)

With busier roads than ever, Audi technology can keep an extra eye out. Available with manual transmissions, this pack brings together the driver assistance systems that support long-distance driving, as well as advanced safety systems.

Adaptive Cruise Control

Automatic distance regulation, using radar sensors to maintain the required distance between vehicles ahead by braking and accelerating. Approximate control range of 18–124mph*

Audi Active Lane Assist

Detects lane boundary markings and helps the driver to stay in lane with gentle steering intervention for greater safety and convenience, particularly on motorways. Works at speeds above approximately 40mph. Only works when the indicator is not in use

Camera-based traffic sign recognition (if MMI Navigation Plus is fitted)

Speed limit and traffic sign display via the Driver's Information System (DIS). Detects speed limits (including temporary limits) and overtaking restrictions. Only available when Technology Pack (WB4) is ordered

Technology Driver assistance

Driver Assistance Pack Advanced

Includes all the contents of Driver Assistance Pack (according to the transmission chosen) but with the following additional items:

Audi Side Assist

Aids the driver when changing lane. Audi Side Assist monitors the area behind your car using radar sensors located discreetly in the rear bumper. It then informs the driver with a visual warning signal in the door mirror if there is a vehicle in their blind spot or approaching quickly from behind. Works at speeds from approximately 10mph

Cross-traffic assist rear

Warns the driver of traffic crossing behind their own vehicle when starting to reverse without having a clear view of the situation (e.g. perpendicular parking space with restricted view or narrow driveway). The system alerts the driver first visually and then acoustically via the MMI, and can apply a brake jolt if a potential collision is detected

Manual transmissions		SE	Sport	S line	Edition #1	Total RRP inc VAT*

Audi warranty

All new Audi models come with a three year warranty as standard, and you can choose to extend this to a four or five year warranty* for a one-off cost. What’s more, if you decide to sell your Audi before the warranty expires, it will be fully transferred to the new owner. Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.

		SE	Sport	S line	Edition #1	Total RRP inc VAT [†]
–	Audi warranty , covering you for unlimited mileage in the first 2 years of ownership, and up to 60,000 miles in the third year. Transferable between owners**	S	S	S	S	£0
EA6	Audi warranty , covering you for up to 4 years or 75,000 miles, whichever comes sooner. Cover includes a 2-year unlimited-mileage warranty, and up to 75,000 miles in the third and fourth years. Transferable between owners**	•	•	•	•	£245
EA9	Audi warranty , covering you for up to 5 years or 90,000 miles, whichever comes sooner. Cover includes a 2-year unlimited-mileage warranty, and up to 90,000 miles in the third, fourth and fifth years. Transferable between owners**	•	•	•	•	£545

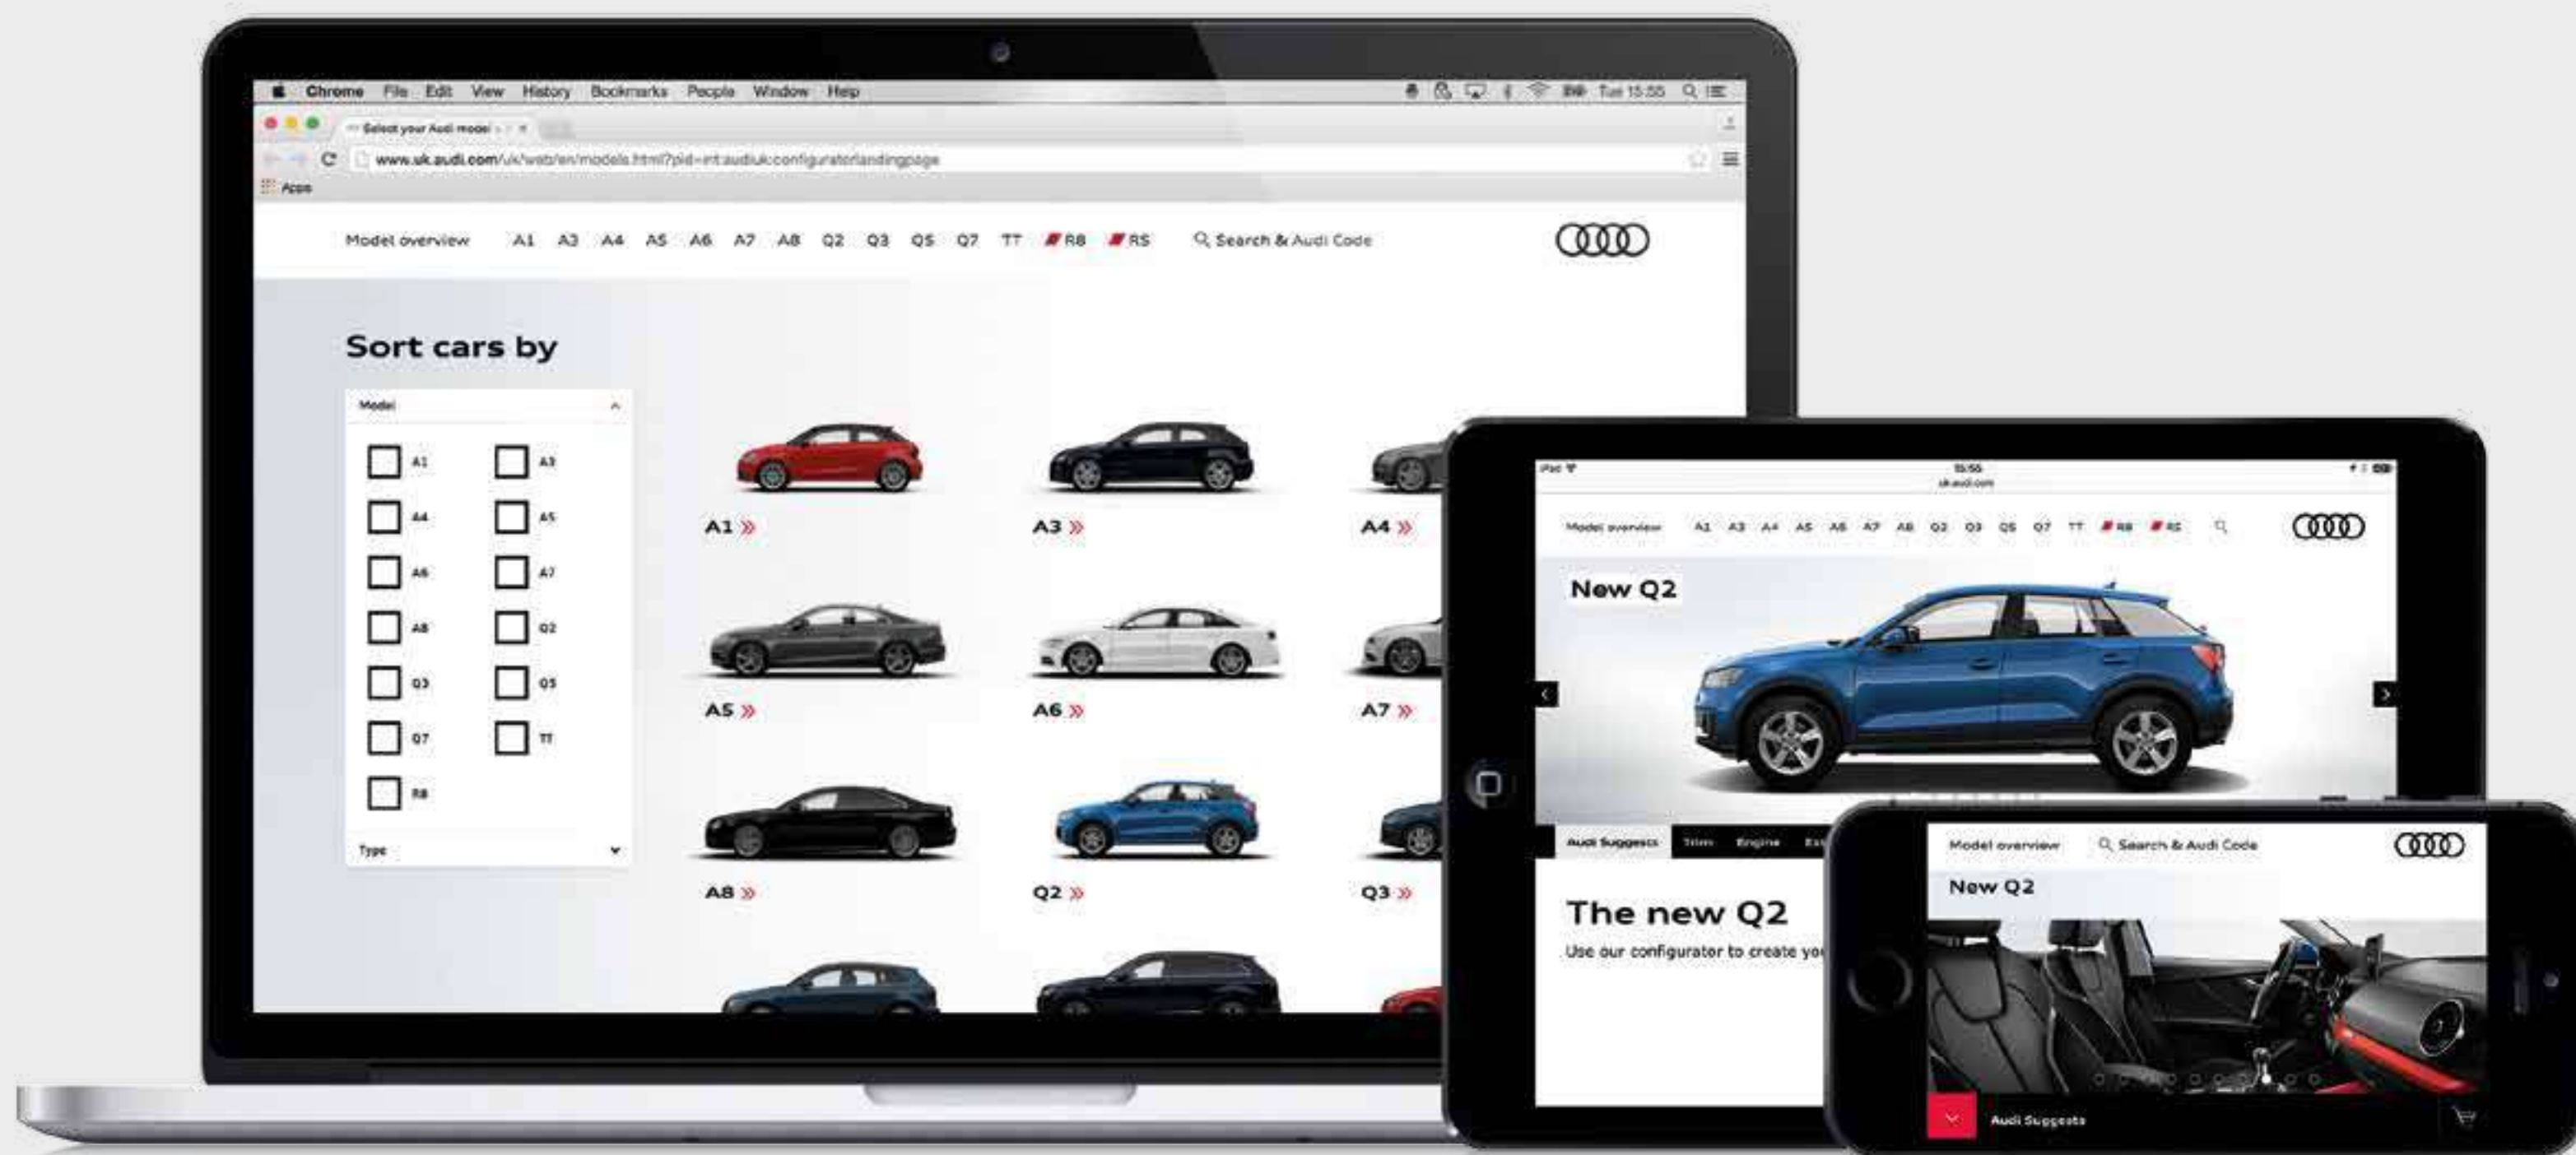

Options are subject to availability and may extend time taken for delivery.
*3-year warranty consists of a 2-year unlimited-mileage warranty and a third year warranty with a 60,000-mile limitation. 4-year warranty consists of a 2-year unlimited-mileage warranty and 2 further years’ coverage with a 75,000-mile limitation. 5-year warranty consists of a 2-year unlimited-mileage warranty and 3 further years’ coverage with a 90,000-mile limitation.
**Only available before registration of your Audi Q2. Please speak to your Audi Centre for full details.

Audi configurator

The easy way to build your Audi

Our online configurator makes it simple to create your ideal Audi, using all your favourite options from this pricelist.

Visit www.audi.co.uk/configurator to create your perfect Audi Q2

Financing your Audi

A range of finance plans designed to suit you.

At Audi, we offer a range of ways to finance your new Audi Q2 – with most finance agreements, you just need to choose your annual mileage and the length of the term, then pay an initial deposit which could be as little as one monthly payment.* For more details, see the accompanying Audi Finance booklet, or speak to your local Audi Centre.

Solutions Personal Contract Plan

A flexible finance plan designed to give you a number of options, making it ideal if you want to change your car more regularly. At the end of the agreement, you have three choices:

1. Exchange the car for a new Audi.
2. Pay the option to purchase fee and optional final payment, then take full ownership of the car.
3. Simply return the car to Audi (fees may be payable).

Hire Purchase

If you know you'd like to keep your Audi, Hire Purchase could be right for you. And as you're making your payments with a view to owning the car, there's no restriction on how far you can drive each year.

Contract Hire

If you don't want to own your Audi, Contract Hire could be a great option. You can add a service, maintenance and tyres plan and, for VAT-registered businesses, an element of the VAT on rentals may be recoverable. You simply need to commit to a regular monthly payment and hand your car back at the end of your agreement (subject to our return standards).

Online Finance Calculators

Use our finance calculators to get personalised quote that suits you. Simply visit the Finance and Offers section on www.audi.co.uk and you can choose between our Solutions Personal Contract Plan and Contract Hire calculators and see what you can expect to pay for your new Audi.

Audi Insurance

To ensure you can start enjoying your new car from day one, the first five days' insurance[†] is included as standard with all new Audi models. To activate it, simply call 0330 303 6900, give us a few details and you can drive it away as soon as you take delivery.

Telephone lines are open Monday to Friday 8am–8pm, and Saturday 9am–4pm. For details of our full range of insurance products, visit www.insurewithaudi.co.uk

*An offer of finance depends on certain conditions. Finance subject to status. Available to 18s and over. Terms and conditions apply. Audi Financial Services. [†]Subject to eligibility criteria. Audi Motor Insurance is sold and administered by Ageas Retail Limited. Audi Financial Services is a trading name of Volkswagen Financial Services (UK) Limited ("VWFS UK"). Registered in England and Wales No. 2835230. Registered Office: Brunswick Court, Yeomans Drive, Blakelands, Milton Keynes MK14 5LR. Financial and consumer credit services are provided by VWFS UK. Volkswagen Financial Services (UK) Limited is authorised and regulated by the Financial Conduct Authority, registration number 311988. Audi Motor Insurance from Audi Financial Services is sold and administered by Ageas Retail Limited, registered in England and Wales No. 1324965. Registered office: Ageas House, Hampshire Corporate Park, Templars Way, Eastleigh, Hampshire SO53 3YA. Ageas Retail Limited is authorised and regulated by the Financial Conduct Authority (FCA), registration number 312468. Volkswagen Financial Services (UK) and Ageas Retail Limited are not part of the same corporate group.

Q2 technical data – petrol engines

All of our Audi Q2 engines meet EU6 emissions standards.

	Petrol engines			
Engine	1.0 TFSI	1.4 TFSI*	1.4 TFSI*	2.0 TFSI quattro

Important information

Welcome to Audi

Audi customer care

Every new Audi includes these reassuring features as standard:

- ▶ 3-year Audi warranty (unlimited mileage in the first two years, with a full mechanical and electrical warranty up to 60,000 miles in the third year)
- ▶ A 3-year paint warranty
- ▶ A 12-year anti-corrosion warranty
- ▶ 3-year UK roadside assistance and recovery
- ▶ 3-year accessories warranty on any accessories purchased with your car (2-year warranty if purchased separately from your new Audi)*

You also have the option when ordering your new car of choosing a 4-year or 5-year Audi warranty. Speak to a member of the sales team for more information. Warranty terms and conditions apply. Please see www.audi.co.uk/warrantyterms for further details.

Information in this pricelist

We've done all we can to make the prices, specifications, technical details and all other information you see in this pricelist accurate at the time of publication. However, as our products are constantly being updated, we recommend checking the details with your Audi Centre.

We reserve the right to change prices or specification at any time. All prices shown in this guide include VAT which is currently charged at 20%.

Delivery charges and number plates are not included in the Total RRP inc VAT vehicle price.

Delivery charge	£504.99
Number plate	£20.00
VAT	£105.01
Total	£630.00

Recommended On-The-Road (OTR) prices include the delivery and number plate charges above, Road Fund Licence (which may vary depending on model/transmission – see table for details) and first registration fee at £55.00.

The images featured in this pricelist are for illustrative purposes only. They may feature left-hand drive vehicles and include equipment that is not UK specification.

CO₂ emissions-based Vehicle Excise Duty

Vehicle Excise Duty (Road Fund Licence) is based upon the amount of Carbon Dioxide (CO₂) a vehicle emits, measured in grams per kilometre (g/km). First-year VED rates apply to the first year of ownership. Annual VED rates apply thereafter. The DVLA has created 13 categories:

Vehicles registered on or after 1 April 2017

Petrol and diesel engines	First year	Standard rate ⁺ (second year onwards)
A – 0g/km	£0	£0
B – 1 to 50g/km	£10	£140
C – 51 to 75g/km	£25	£140
D – 76 to 90g/km	£100	£140
E – 91 to 100g/km	£120	£140
F – 101 to 110g/km	£140	£140
G – 111 to 130g/km	£160	£140
H – 131 to 150g/km	£200	£140
I – 151 to 170g/km	£500	£140
J – 171 to 190g/km	£800	£140
K – 191 to 225g/km	£1,200	£140
L – 226 to 255g/km	£1,700	£140
M – over 255g/km	£2,000	£140

Vehicle Excise Duty (VED) rates correct at time of going to print, but these may alter to reflect any change in the applicable VED rate.
⁺Vehicles with a list price exceeding £40,000 (including factory installed options, delivery charge, number plates and VAT) will pay an additional £310 plus the standard annual rate for a 5-year period. After the 5-year period only the standard rate will apply.

*Excludes Road Angel products.

Important information continued

Audi tax-free sales

If you are entitled to purchase a vehicle free of VAT, normally through military or diplomatic privilege, please contact your local Audi Centre for full details. Should you have any difficulty obtaining the information you require, please call 0870 241 5663.

Audi Connect Terms and Conditions

The Audi Connect Online Services (“Connect Services”) are provided by Audi AG, and are included as standard in certain models within the Audi range of vehicles and are also available within some optional packs, such as the Audi Technology Pack. Audi AG is a company within our corporate group.

The Connect Services include:

- Audi Connect Infotainment Services (“Infotainment Services”).

Some services require additional activation steps. In order to enjoy these services customers must register, accept the terms and conditions and follow the activation steps instructed on myAudi (please visit <https://login.audi.com>).

Some services also require the download of the Audi MMI App on a compatible phone or tablet (always check latest phone and software compatibility).

Whilst correct at the time of publication, the content and scope of the Connect Services offered may vary from time to time. Features vary by model. Audi AG may add, change, replace or remove individual services or features at any time during your subscription for the Connect Services.

Enhancements in vehicle technology, information technology and web-based services sometimes require the Connect Services to be adapted and enhanced in line with new forms of technology or changes in user behaviour. In this context, Audi AG reserves the right at any time to enhance, reduce or change the functional scope of the Connect Services in a manner that it considers is reasonable for the customer.

For full details of the specific Connect Services on your vehicle, together with complete and up-to-date terms and conditions for those Connect Services, please visit www.audi.co.uk/connectterms

Audi Connect Infotainment Services

Audi Connect Online Infotainment Services (“Infotainment Services”) are provided via a SIM card embedded in the vehicle.

The Infotainment Services enable access to certain search, social media and other online services provided by third parties. Features vary by model. Permanent availability cannot be guaranteed as this is the responsibility of the relevant third party provider.

Infotainment Services are available only within the range of the selected mobile phone network operated by Audi AG’s chosen mobile phone provider (which may change from time to time) and where there is mobile reception, including an active data connection.

Data is unlimited. There are no additional charges for data roaming within the EU (although availability of these services is limited to certain countries). You will not, however, be able to use the embedded SIM to provide Wi-Fi hotspot services or to tether any other device to the embedded SIM. Should you wish to create a Wi-Fi hotspot we recommend you purchase Wi-Fi data packs via myAudi (Link: <https://login.audi.com>). Any Wi-Fi data packs purchased via myAudi will remain with the vehicle upon sale of the vehicle and no refunds will be provided.

If you insert an external SIM card into the card slot (e.g. so as to enable Wi-Fi hotspot services), then all Infotainment Services data connections will be made via this SIM card (and not the Audi embedded SIM card) and all related data costs incurred may be charged to the customer by the provider of the plan associated with the external SIM card.

You may not use the Connect Services and the embedded SIM for any purpose other than the provision or receipt of services in accordance with these terms.

For vehicles which have hazard alert and traffic sign information features, the vehicle sensors will be transmitting information to Audi AG. This information includes, but is not limited to, vehicle location, speed signs, areas where a risk of skidding, breakdown, accident and/or reduced visibility has been identified. The data is transmitted to Audi AG and shared with other Audi vehicles with hazard alert and traffic sign information features. The data is transmitted anonymously and does not identify an individual vehicle. Such data is only held for the purpose of warning drivers of potential road hazards and change of speed signs.

The subscription is activated from the point of vehicle registration. Should you wish to continue to use the Connect Services after your subscription expires, please consult your local Audi Centre for details (including the latest subscription fees). Charges will apply upon renewal.

Important information continued

MMI Navigation Plus – online map updates and myAudi Special Destinations

The map version delivered with vehicles with MMI Navigation Plus can be updated free of charge for the first five updates after vehicle delivery (which are generally issued at intervals of 6 months). The current navigation data can be downloaded from the myAudi platform at www.audi.com/myaudi and embedded in the vehicle via SD card. In conjunction with Audi Connect Infotainment Services, the update can be carried out online in the vehicle (subject to mobile reception and an active data connection). For further navigation updates, it is possible to purchase new navigation data maps from your local Audi Centre at extra cost – please contact them for details.

With myAudi Special Destinations, you can download your favourite POI lists available on the internet (such as favourite restaurants) and have these displayed on your navigation map. In order to enjoy this service, customers must register, accept the terms and conditions and follow the instructions given on myAudi. Please visit <https://login.audi.com/login>

Diamond cut finish alloy wheel

Diamond cut is a special finish on aluminium wheels. It is also sometimes referred to as 'polished' or 'partly polished'. Special aftercare should be taken when driving in extreme wintry road conditions.

For manufacturing reasons, these wheel surfaces do not have sufficient corrosion protection for such use and they can be permanently damaged by road salt or similar.
